Skincare Systems

Calm System

Category: Skincare Systems
SKU: CALM

$179.00

Calm System is a carefully curated Korean skincare routine for sensitive, reactive, dry and dehydrated skin. Designed to help calm irritation, reduce visible redness, replenish hydration and support the skin barrier, it brings together a complete routine for gentle, consistent daily care.

Glow System

Category: Skincare Systems
SKU: GLOW

$185.00

Glow System is a carefully curated Korean skincare routine for dull, dehydrated or uneven-looking skin. Designed to hydrate, brighten and support skin clarity, it brings together a complete routine to help leave the complexion smooth, plump, dewy and naturally radiant.

Recovery System

Category: Skincare Systems
SKU: RECOV

$189.00

Recovery System is a carefully curated Korean skincare routine for dry, stressed, mature or compromised skin. Designed to restore hydration, nourish the complexion and support the skin barrier, it brings together a complete routine to help skin feel smoother, stronger and more resilient.

Calm System Product

Centella Ampoule

Category: Calm System Product
SKU: CCM

$28.00

Daily Soothing & Hydrating Ampoule for Healthy, Radiant Skin

Price: AU$28.00

Restore your skin's natural balance with the **Madagascar Centella Ampoule**. Formulated with **100% Madagascan Centella Asiatica Extract**, this lightweight ampoule delivers intense hydration while calming irritation and strengthening the skin's natural barrier.

Designed for even the most sensitive skin, its fast-absorbing, non-sticky formula helps reduce redness, replenish moisture and leave your complexion feeling soft, healthy and refreshed. Perfect for daily use, it provides long-lasting hydration without feeling heavy.

Centella Ampoule Foam Cleanser

Category: Calm System Product, Repair System Products
SKU: CCAF

$22.00

Gentle Daily Cleanser for Sensitive & Acne-Prone Skin

Price: AU$22.00

Cleanse your skin without compromising its natural moisture barrier. The **SKIN1004 Madagascar Centella Ampoule Foam** is a rich, creamy cleanser formulated with **84% Madagascan Centella Asiatica extract** to soothe sensitive skin while effectively removing dirt, excess oil and daily impurities.

Its luxurious micro-foam creates a deep yet gentle cleanse, while naturally derived coconut-based cleansing ingredients help leave skin feeling soft, hydrated and refreshed—not tight or dry. Perfect for daily use, this cleanser supports a healthy skin barrier and prepares your skin for the rest of your skincare routine.

Centella Soothing Cream

Category: Calm System Product
SKU: CCSC

$35.00

Lightweight hydration for sensitive and dehydrated skin.

Madagascar Centella Soothing Cream is a refreshing 75ml gel-cream with Madagascan Centella Asiatica Extract, ceramides and hyaluronic acid. It helps soothe skin discomfort, maintain the natural moisture barrier and deliver lasting hydration without a heavy or greasy feel.

Suitable for daily morning and evening use across a range of skin types, particularly sensitive, dry and dehydrated skin.

Size: 75ml
Price: AU$35.00

Centella Toner

Category: Calm System Product
SKU: CCT

$28.00

Centella Toner is a lightweight daily toner with Madagascar Centella Asiatica, PHA, Hyaluronic Acid and Niacinamide. It helps gently exfoliate, hydrate and soothe sensitive skin while supporting a smoother, brighter and more balanced-looking complexion.

Hyalu-Cica Sleeping Mask

Category: Calm System Product
SKU: CHCSM

$35.00

Overnight Hydrating & Barrier Repair Sleeping Mask

Price: AU$35.00

Wake up to softer, smoother and deeply hydrated skin with the **Madagascar Centella Hyalu-Cica Sleeping Pack**. This lightweight overnight mask is specially formulated to replenish moisture, calm irritation and strengthen the skin barrier while you sleep.

Enriched with **Madagascan Centella Asiatica Extract**, **Hyaluronic Acid** and **Ceramides**, this nourishing sleeping pack delivers intense hydration throughout the night, helping tired, dehydrated skin appear plumper, healthier and more radiant by morning.

Its refreshing gel texture absorbs comfortably without feeling heavy or sticky, making it suitable for all skin types, including sensitive skin.

Hyalu-Cica Sunscreen

Category: Calm System Product
SKU: CHCS

$12.00

Hyalu-Cica Sunscreen is a lightweight SPF50+ PA++++ Korean sun serum with Madagascan Centella Asiatica Extract and Hyaluronic Acid. It provides broad-spectrum daily UV protection while hydrating and soothing the skin, with no white cast, greasy finish or sticky residue.

Category: Calm System Product, Glow System Products
SKU: MCHM

$6.00

Centella Hydrating Mask is an intensely moisturising Korean sheet mask with Madagascan Centella Asiatica, 8 types of Hyaluronic Acid and Ceramides. It helps replenish hydration, soothe sensitive skin and support the moisture barrier while leaving skin soft, plump and refreshed.

Glow System Products

Beauty of Joseon Sunscreen

Category: Glow System Products, Repair System Products
SKU: BJS

$28.00

Protect, hydrate and brighten with **Beauty of Joseon Relief Sun: Rice + Probiotics SPF50+ PA++++**. This lightweight **Beauty of Joseon sunscreen SPF50** provides broad-spectrum UVA and UVB protection while 30% Rice Extract and Grain-Derived Probiotics help support hydration and the skin barrier. It absorbs comfortably without a white cast, leaving skin soft and naturally glowing.

Centella Brightening Toner

Category: Glow System Products
SKU: BBT

$28.00

Madagascar Centella Hyalu-Cica Brightening Toner

Price: AU$28.00

Hydrate, Brighten & Strengthen Your Skin

Reveal a smoother, brighter complexion with the **Madagascar Centella Hyalu-Cica Brightening Toner**. This lightweight, hydrating toner is designed to replenish moisture while gently refining skin texture, leaving your complexion fresh, balanced and glowing.

Enriched with **Madagascan Centella Asiatica Extract** to calm and strengthen the skin barrier, along with **Hyaluronic Acid** to deliver long-lasting hydration, this toner helps prepare your skin to better absorb the rest of your skincare routine. Gentle exfoliating ingredients work to remove dead skin cells, revealing a softer, smoother and more radiant complexion without irritation.

Perfect for daily use, this refreshing toner is suitable for **all skin types** , including sensitive, dehydrated and dull skin.

Centella Hyalu-Cica Blue Serum

Category: Glow System Products
SKU: CHBS

$29.00

Centella Hyalu-Cica Blue Serum is a lightweight, fast-absorbing serum with Madagascan Centella Asiatica Extract, Hyaluronic Acid and Ceramides. Formulated to provide intense hydration, calm sensitive skin and support the skin barrier, it leaves the complexion feeling plump, smooth and refreshed with a radiant, dewy finish.
